Saturday, 28 July 1 August Celebration

Happy Birthday Switzerland! The Auckland Swiss Club celebrated in style at the Danish house. We had the pleasure of hosting the Swiss Army Band that entertained the Group with a host of national songs. It was a pleasure to have you here. The Committee put together a delicious meal, thank you very much for your hard work. There were a few lucky winners taking home some great prizes from the 'Tombola'. It was a wonderful

evening to celebrate our "Swissness" amongst friends.

Card Evenings

Between late May and early July, we once again held our traditional five card evenings during the winter months. We were very lucky with the weather, with only one evening with rain. Otherwise it was fine, although cold, with very little fog around on the drive home for most people.

With an average attendance of 28, our numbers were down a bit this year, mainly because a large number of people had planned trips to Switzerland and other holiday destinations this year; whilst several others were unfortunately suffering with winter ailments and unable to attend.

However, those who did come were treated to some delicious suppers and, in all, a total of 52 lucky winners were

able to take home some great prizes after a relaxed and enjoyable evening playing cards.

This year's overall winner of the Jass Trophy - and a large ham - with a total of 15,997 points, was Heinz Leuenberger, closely followed by Hanni Frischknecht in second place, with Karl Waldvogel third. In total 20 card players were eligible for an overall prize, having come to at least four out of the five nights.

Many thanks to everyone involved in organising and catering these evenings; as well as for all the many extra prizes that were donated. A big thank you also to our loyal card players for regularly traveling to Cambridge for an evening of cards. We'll see you all again next year!!

First of August

On Sunday, 29 July, our annual First of August Lunch was attended by over 100 people – ranging in age from one year old to over 90! The Matangi Hall, festively decorated with canton flags, cowbells, and pictures of Switzerland, quickly filled up, and whilst a few people were busy preparing lunch in the kitchen, our guests had an opportunity to have a drink, find a seat, and -most importantly - catch up with family, friends and acquaintances.

After a few words of welcome to our national day celebration, President Herbert Staheli invited people forward to the buffet where everyone was served a traditional meal of Pastetli (Vol-au-Vents), together with peas and carrots, and home made bread – which I'm sure everyone enjoyed.

Following lunch, a few volunteers began selling raffle tickets, and then we were entertained with an impromptu performance portraying 'Life in Switzerland' – acted out by the children under the very able guidance of Ursi Häfliger.

Unfortunately we were unable to listen to the Federal President's annual address due to sound problems, but instead Herbert spoke briefly about the visiting Swiss Army Band performance he attended the day before in Auckland. This was followed the singing of the Swiss National Anthem.

Finally, a few children came forward to help draw the 'lucky numbers' for the 30 or so lovely prizes on the raffle table. A big thank you to everyone who brought along a raffle prize.

With the formalities of the day over, it was time to serve tea and coffee, along with a table laden with a huge variety of delicious home baking - which disappeared within a very short time!!

After a very enjoyable afternoon, people slowly began heading home, and all that was left to do for the committee and helpers was to clean up, tidy up, and load up again – happy in the knowledge that the lunch and day was enjoyed by all who attended.

Particularly because many of our committee were away for our First of August function, we would like to thank everyone who helped out to make it such a successful day – for the baking, helping in the kitchen, washing and drying dishes, clearing tables and cleaning and tidying up. Your assistance made our job so much easier.

Also a huge and special thank you to Michelle for giving up a whole weekend to help cook the Pastetli on Saturday, and then working in the kitchen to prepare and serve it on Sunday. We hope that everyone went home with good memories of pleasant national day celebration. BL

Forthcoming Events

4th November – Family Walk – please meet at the Hamilton Gardens, Gate 2 at 11am near the toilet block. We will walk along one side of the Waikato River and head towards the Claudelands Bridge. About half way we plan to have lunch at a café and then head back on the other side of the river. If you prefer to bring your own picnic then this isn't a problem. This walk can be held even if it rains, so just bring along your rain jacket or umbrella if the weather isn't looking promising. For further details please call Anita 0274985170 or email anita.zuber@swiss.org.nz

2nd December – Family Christmas Celebration – again we will be celebrating this day at the Newstead School on Morrinsville Road commencing about 11am. There will be crafts and biscuit decorating for the children followed by a BBQ lunch provided by the club. Non-member families will be asked for a donation. After lunch hopefully Santa will arrive with some goodies for the little ones and again we will have a raffle table so if you would like to donate something then this is much appreciated. We always have a great selection of prizes and people appreciate buying raffles and taking home one of the many prizes. At the conclusion there will be coffee and baking so we ask families to bring along a plate of baking to share. We look forward to seeing you all there – even if you don't have children it's still nice to come along and have a chat prior to Christmas. AZ

1st of August celebrations with the Swiss Army Band

On the 29th of July we held our 1st of August celebrations with the amazing Swiss Army Band as our entertainers, and they certainly didn't disappoint. A crowd of nearly 280 people thoroughly enjoyed the entertainment including a very interesting speech by our Amba-

sador, David Vogelsanger. Thank you very much David and the Embassy staff, for organising the visit of such an impressive Swiss Army Band to our shores, and especially Taranaki. Everyone thoroughly enjoyed the splendid entertainment provided by the Swiss Army Band; a very talented and proficient brass band. The Band were a delight to host, and were very friendly and pleasant young men. Thank you very much to Chloe Danz for her beautiful rendition of the New Zealand National Anthem ... you are a very talented young lady!!! We wouldn't have had such a great response to this event without the splendid efforts of our sales team ... a big thanks to Othmar, Leo, Zeno, Walter, Vreni and the teams at the Stratford Information Centre and Amity Court Motels ... without your time and effort we would not have had such a huge crowd. Well done and THANK YOU!!! Thanks to the committee members and helpers who set us the hall so beautifully, and then cleaned up ... the help of so many made the job so much easier! Grateful thanks to Silvia, Erna and Heidi for organising the tombola and having such wonderful prizes on display. So sorry to the people who didn't get the opportunity to buy some tombola tickets due to them selling like hot cakes ... thanks to the people who sold the tickets; your sales skills are second to none!!! Thanks to Amanda Haisman who did a superb job designing and printing the tickets ... they looked magnificent! We certainly look forward to utilising your talents more often!!! Thanks to Rosanna Sherman and Erna Zimmermann for raiding their gardens and providing us with so many beautiful flowers to decorate the tables. Although we ordered a few more 1st of August badges, they too sold very well, and I apologise to those of you who didn't get to purchase a badge. Many thanks to Mary and Alby who provided dinner to our Swiss guests and also for

the supper, which together with the delicious Swiss Deli cervelas disappeared quite quickly!!! It was wonderful to see so many new faces, and we hope that you will come to further Taranaki Swiss Club functions. Once again, grateful thanks to everyone who helped in any way ... we had another hugely successful evening and look forward to seeing many of you at future events / functions. Marianne

Sunday 8 July - Jassen

We had two tables; our jassers seem to go overseas a bit later this year, so let's enjoy their company while they are still here! Afternoon tea was quite a choice; thank you! It's always nice to share stories with a cup of coffee, and to get to know new and old members. After all, cards are only one aspect of our afternoons...

Saturday 22 July – Räbeliechtli

WSC's family events for 2018 saw nine children and accompanying adults carve Räbeliechtli or lanterns out of turnips and swedes at the Clubhouse on 22 July.

We received the instructions: bring a hollowed-out turnip. It turned out that turnips were hard to find in Wellington, so we brought swedes. They are smaller but work just as well.

Swiss Club News

The kids had a go at carving their lantern, with either Swiss army knives or kitchen knives. Some adults managed a real piece of art!

As the photo shows, with the lights turned down and illuminated with tealight candles, these traditional elements of an annual November procession in Richterswil, ZH, are very effective and decorative.

We enjoyed some great baking after the craft, including delicious pies and a Zopf, accompanied by Nutella!

Saturday 4 August – National Day Dinner

We did not have a bonfire on 1st August this year because everybody was at the beautiful party at the Swiss Residence. Many members attended both the 1st August party and our dinner on 4th August. It was almost full house!

Flemming and Trudi went to the Riverside market in Lower Hutt on Saturday morning to find the vegetables. Bernie, Monika, Peter, Gabrielle and Trudi cooked an amazing *Züri-Gschnätzlets* with red cabbage and dessert, with the usual Gluhwein to start with. We listened to the message of our president Alain Berset while watching scenic pictures of our Alps and countryside.

Bernie introduced the new committee: president Bernie Napp, Vice-president Peter Hynes, secretary Odile Stotzer, treasurer Flemming Sorensen, Sascha Schwinn, Rahel and Mark Williams,

Christine Hughes, Oscar Gamper and last but not least Trudi Fill-Weidmann who joined the committee a few weeks ago. We held a minute of silence for Nico Staudenmann who passed away in July. Our thoughts are with Christine and her family.

A big thank you to Oscar and Sharon who came back the next day to clean up the house, you did an amazing job!

Sunday 12 August – Jassen

We had two full tables, one even with a Chnaecht. Last summer we had the pleasure of having Liam Pledger playing; this time Gabrielle brought along her son. There are seriously good players in the next generation; a big thank you to the parents who keep the tradition of playing cards alive!

We had a good afternoon, with a few surprise matches, and also surprise non-matches, plenty of coffee and big tins of Lebkuchen and Basler Leckerlis (hm, what was that secret ingredient again?) and a big box of chocolates - thank you for all your contributions!

Sunday 26 August – Walk to Turakirae Head

On 26 August several families walked to the seal colony at Turakirae Head, along a spectacular and rugged coastline south of Wainuiomata, known for the many raised beaches of gravel recording a history of earthquakes in the region going back over more than 1,000 years.

The sun was present, as were the seals, there in force, more than 20 we counted, peering at them from rocky vantage points while enjoying our afternoon tea. Many thanks to Craig and Petra Press for organising this very enjoyable event.

2 September - Jassen

The weather was not exactly spring-like, but the 10 keen jassers had a good afternoon and played in different configurations with different Chnaechts all afternoon. "Farm worker" might be the correct translation of Chnaecht, but doesn't convey the idea correctly. One young chnaecht especially decided on what was to be trump most of the time, it seemed!

After an extensive break with a great selection of cakes (thank you, Gabrielle, Christine and Lotti!) and a fruit platter (thank you, Leezabet!) playing continued till well after 5 - when we noticed it was still raining...
