Sunday, 14 October, Walk out West

A good group of about 20 walkers of all ages turned up for our Spring stroll along the Henderson Creek. We even had the pleasure of being escorted by some nice men in Swiss army uniform!!! - which was a bit of fun. The weather

was ideal and the path was enjoyed by all. An easy access walkway great for any day if you're still keen to check it out either on foot or bike. Most enjoyable and who would have thought that such a nice nature walk exists so close to the western motorway. We stopped off at the wonderful Tui Glen playground for a wee rest and enjoyed some Swiss military biscuits while the kids had a play. Then it was time for some lunch & drinks at The Falls Restaurant. A great location for a bite to eat on this lovely sunny spring day! After lunch some of us took the direct path back to the cars while the rest went along the other side of the creek to get in another few kilometers of wandering. Great company and a great day out amongst nature. It's always nice to catch up with old friends and make some new friends. We look forward to exploring some more hidden local gems in the future.

Fondue Evening was held on Saturday 22nd September at the Matangi Hall and most people arrived early to a beautifully decorated hall and tables all set up with placemats, candles and flags ready for dinner. We had about 120 people attend, slightly lower than the last couple of years but certainly more comfortable for seating and also much easier on the dishwashers at the end of the evening. After a brief welcome by Herbert our President the committee was ready to serve the fondue promptly at 7.30pm. There was plenty for everyone with lots of top ups of delicious cold cuts and home-made bread as well as plenty of the hot cheesy mixture. After dinner and a bit of a tidy up it was time for the trophy and medal presentations. Congratulations to all the winners and especially to all the participants – without a lot of support there wouldn't be so many medal winners. This year the medals were sourced through a local supplier so we would welcome some feedback. Following the formalities it was time for dessert – delicious fresh fruit salad and cream, a great selection of home-made baking as well as coffee

with or without schnapps. Many thanks to all the helpers – there is always a lot of work behind the scenes: baking, grating cheese, making fruit salad, doing the paper work and mailout etc so thank you to everyone for once again making this event very successful.

Family Walk – was held on Sunday 4th November at the Pukemokemo Reserve near Tauhei. It was a pleasant surprise to find that 18 people turned up for our walk, the most we have had for some time and there were many new faces. We had a 45 minute climb up on newly constructed boardwalks through bush to the sound of birdsong. At the top at the lookout, Judith Mouron surprised us all with beautiful yodelling and if we closed our eyes, we could almost imagine we were on an alp instead on a 250m hill in the Waikato. Thank you Judith, it was superb to listen to. We had lunch at the lookout which had great views of the surrounding farming districts then we ambled back down on the bush track to the carpark. Margaret & Rudi Meier invited us back to their place for coffee afterwards which rounded off the day nicely.

Forthcoming Events

For Club members lunch and children's presents will be provided by the Club, but for non-members there will be a small charge to cover costs.

Kegeln has recommenced with relatively good attendances ... great to see some new faces ... welcome to Richard and Lynley Wagner who are now residing in Hawera ... hope you have enjoyed the kegeln and making new acquaintances. Heidi would love to see even more people coming along to enjoy the sport, fun and laughter that they always have!!!

Mark and Othmar organised a shooting course running over three Sunday afternoons to encourage our juniors to participate in our shooting events and also to enjoy target shooting in a safe environment. Participants were also shown how to read targets and mark them. Only a small number of children attended the first two sessions, but hopefully more participants will come for the final afternoon, as children will be supervised actually shooting. Big thanks to Mark and Othmar for giving up their time to promote the safe use of guns and encouraging our younger members to enjoy our shooting programmes.

On the 20th of October some of us were privileged to be invited to Othmar's 60th birthday!! We all enjoyed a variety of Swiss sausages made and barbequed by Peter, the Swiss butcher from Blenheim, and a huge selection of salads, followed by a terrific array of desserts. Congratulations Othmar and we hope that you enjoyed your day, and wish you happiness, good times with fun and laughter, and good health for many more years.

The small bore shooting club hosted the Trudi Ott Belt Shoot on the 21st of October and Mark was pleased with a good

attendance. Well done to all participants and congratulations to Alex Kuriger who won the Trudi Ott Belt for the coming year! In the evening we held a pot luck tea, and what an amazing selection of fine food we all enjoyed.

Wonderful to have in our midst Peter, the Swiss butcher from the South Island, with his sister and father ... we hope you enjoyed being in the Naki and meeting fellow Swiss with a Kiwi connection. Many thanks to the wonderful people who washed and dried dishes, and cleaned up! We're so lucky to have you!!! Later Mark presented the Swiss Society medals to worthy winners, with seven participants achieving a double medal ... congratulations to our juniors Victoria Arnold and Daniel Drummond and also to Mark Kiser, Ruedi Benkert, Walter Seifert, Alby Schuler and Mary Ann Whakatutu. Walter presented the Jassen Cup to Heidi Seifert ... congratulations Heidi; your superior skill showed with a five point winning margin!!! Now for a HUGE CONGRATULATIONS to Robert Buhler for gaining his GOLD medal in the Karabiner Shooting programmes. This is an amazing feat, as Robert had to shoot with good scores for at least twenty-four years, receiving a white and green card every time ... upon having eight of each card a bronze medal is received, a further eight and a silver medal is awarded and finally after another eight of each card a GOLD medal is awarded. What an incredible achievement with the end result showing great dedication to the sport of big bore shooting. Robert thanked the three Karabiner Rifle Masters (Ruedi Dudli, Remigi Zimmermann and Bryce Kaiser) for their patience, enthusiasm and commitment in helping him achieve this medal. Well done, Robert.

Many thanks to all the participants in the sporting events, for without your involvement there wouldn't be a competition.

On behalf of the Taranaki Swiss Club we wish everyone a Merry Christmas and all the very best for the New Year.

Raclette - 15 September

A big group showed up for the raclette organised by Rahel, with real Swiss raclette cheese from Moore Wilson's. For dessert we got to sample from a potluck of cakes and cookies baked by our ever helpful club members.

As the weather was fine, the kids, even the little ones, got a chance to try out the bowling alley.

Tulip Walk - 23 September

A day for families. We met in the Botanic Gardens, for a walk amongst the flowering tulips. Bernie had organised a treasure hunt- or Schnitzeljagd - that made the children run around the Soundshell area. He had cleverly hidden all the clues within sighting distance so the adults were able to sit down and chat while the younger ones were busy. After a mandatory stop by the playground, and several games of hide-and-seek, we visited the Cable Car Museum. This museum, entry free, holds, besides the usual gift shop, three rooms of Wel-

lington and cable car history. A must see.... Did you know that the company that built the latest Wellington Cable Car is Habegger AG, based in Regensdorf, in the Canton of Zurich? The afternoon ended with a walk through the sculpture park, also very worthwhile.

Jassen – 7 October

Three of our hard core jassers were still overseas, and one was in bed with the flu. But luckily Lotti brought a friend a long who was a seasoned card player, too, so we had enough players for one table – even with a Chnäch. Afternoon coffee was most enjoyable, as always, and we were not in a particular hurry to go home...

Working bee – 13 October

Among the hardest workers at our annual working bee at the clubhouse were several children who cleaned, tidied, worked outside in the pouring rain, and sorted the children's books in our small library. There is always more to do than can be done in the time available, so the contribution of everyone who attended is gratefully appreciated by the committee. For anyone who missed out, there is always next year. To make the occasion less of a chore, we shared our lunch and enjoyed a chat, and Jake's piano playing.

Alpine Dinner – Aelplerabig 27 October

Rahel had cooked a pig's leg for many hours to get the right flavour for her Gerstensuppe – and it was delicious,

well worth the hours! Rahel also made scrumptious Aelplermagrone with Oepfelschnitz, and Erbsli und Rüebli for added colour. For dessert, we were treated to the classic kids' favourite, a Coupe Danemark, with homemade Braetzel made by Christine Hughes with a traditional iron. Odile ran a quiz on an alpine theme, at which everyone would have learned something, also with food tasting, and visual identification of Swiss animals and plants, including Kuhfladen-Bingo – apparently, an up-and-coming alpine sport. Worth googling. How could we have lived so long without knowing about the Kuhfladen-Bingo!

Jassen – 4 November

All our travellers are back and full of stories, and the flu patient has recovered – so we had a most enjoyable afternoon with valiantly fought games and lots of laughter and near misses and unexpected matches – und unexpected non-matches, too. A big thank you to Christine, Lotti and Gabrielle for their delicious afternoon tea!

Forthcoming Events

The club year starts with Jassen on Sunday 6 January, Dreikönigstag, and then our annual sports day on 27 January when we compete for the Swiss Society medals. This is a great opportunity for young and old to try out our traditional activities of Kegeln, Steinstossen, and Jassen, our shooting practice having already been held in November. Weather permitting, the barbecue will be in action, and the committee looks forward to a good turn-out.

The weekend of 9-10 February is the annual Taranaki Swiss Club picnic in Kaponga, with Schwingen and many other attractions on Sunday. On Saturday 9 February we also have the Semifinal of the Cowbell Competition between the Taranaki and the Wellington Swiss Clubs in Kaponga – so please start getting into shape and practise shotput, cards and bowling!

An early advisory also for Jassen on 3 February, a family BBQ at the Williams's on 17 February, all welcome, and our second shooting day for this year's calendar, on 24 February.

The committee takes this opportunity to record with great sadness the passing of Marc Schleiniger, a valued club member and former committee member, on 19 September. One of his recent contri-

butions to WSC was the suggestion of running more family events, and we are putting his ideas into effect. Marc lives on in our memories and in our activities as a club.

We wish all WSC members a safe and enjoyable festive season, and look forward to seeing you all in the New Year.

Young Luke Pennington loves his Swiss ancestry.

Mangorei School Pet Day 2018

Luke Pennington (9 years old)

The theme for the middle school Pet Day miniature scene at Mangorei School in Taranaki was 'family tradition'.

Luke said: When I think about family tradition I think of my Swiss ancestry and regularly attend the annual Swiss Picnic. So I tried to recreate parts of the Swiss Picnic and other celebrations I enjoy at the Taranaki Swiss Club. I was very proud of my efforts. It was super rewarding to see after judging that I received the Gold medal/sticker in my class for my 'Annual Swiss Picnic' tradition.

The main areas I wanted to convey in my miniature scene was the wrestling (Schwingen), BBQ Cervelas (yummy), bottle fishing and Mount Taranaki. My memories are of playing Kegeln as well, all though we don't have this at the annual picnic I play it lots at other celebrations. I am so proud of my family Swiss culture.

Luke's great-grandparents were the late Charlie and the late Doreen Schuler. Charlie was vice-president and committee member of the Taranaki Swiss Club for many years and served as vice-president of the Swiss Society. Charlie was also instrumental in the building of Taranaki's Clubhouse while Doreen was a long-standing secretary of the Swiss Club.
