# THE UNIVERSITY OF MICHIGAN LIBRARY

## ANNOUNCEMENT

The University of Michigan Library is pleased to announce the acquisition of a new collection of books on the history of the state of Michigan. This collection, consisting of approximately 50 volumes, covers the period from the early settlement of the state to the present day. The books are arranged in chronological order and include a wide range of subjects, including the early exploration of the state, the development of the fur trade, the establishment of the first permanent settlements, and the growth of the state as a major industrial and agricultural power. The collection is a valuable resource for students and scholars alike, and is available for loan to members of the University community.

The University of Michigan Library is also pleased to announce the acquisition of a new collection of books on the history of the state of Michigan. This collection, consisting of approximately 50 volumes, covers the period from the early settlement of the state to the present day. The books are arranged in chronological order and include a wide range of subjects, including the early exploration of the state, the development of the fur trade, the establishment of the first permanent settlements, and the growth of the state as a major industrial and agricultural power. The collection is a valuable resource for students and scholars alike, and is available for loan to members of the University community.
