Collaboration artists John Wesley, Tacita Dean, and Thomas Demand take us into realms of enigma and absence, memory and exchange, artificiality and stylization. A uniting constant might be found in the word 'journey', for we accompany the artists through time and space on journeys that do not take us to people, but to events and places of mental reverberation.

Mit John Wesley, Tacita Dean und Thomas Demand betreten wir das Reich des Rätsels, der Abwesenheit, der Erinnerungsräume, der Stellvertretung, der Künstlichkeit und Stilisierung. Das Stichwort Reise mag hier als mögliche verbindende Konstante gelten: Es handelt sich um Reisen in Raum und Zeit, die weniger zu Menschen führen als zu Schauplätzen und mentalen Echoräumen.
