ANTON VIDOKLE

PRODUCE, DISTRIBUTE, DISCUSS, REPEAT

Edited by Brian Sholis

Contributions by Media Farzin, Liam Gillick, Boris Groys, Maria Lind, Monika Szewczyk, Jan Verwoert. Interview with Martha Rosler by Bosko Blagojevic

Anton Vidokle is an artist who captures the attention of 70,000 people each day through e-flux, as well as unitednationsplaza, Martha Rosler Library, and other traveling projects. The essays and interview in this book highlight how two threads in Vidokle's practice—unobtrusiveness and the freedom of self-sufficiency—are often interwoven, and are at the center of an intellectual proposal that undermines common assumptions about making art in the twenty-first century.
