One might say that the current cover of Parkett flaunts vitality—but of what kind? What is intended? On one hand, movement, pulsating activity, the inability to hang on, and the impact of coming to a sudden halt; on the other, counterfeit movement and hyperactivity: these all play a crucial role in the work of the artists presented in this issue.

Das Titelblatt dieser Ausgabe von Parkett verkündet ganz dezidiert Vitalität – doch welche Art von Lebendigkeit ist hier gemeint? Die Bewegung, das Pulsierende, aber auch das Nicht-Festhalten-können, oder der plötzliche Stillstand, genauso wie die Scheinbewegung und die Hyperaktivität spielen bei den hier vorgestellten Künstlerinnen und Künstlern eine zentrale Rolle.
