Having no body  
and no name is a small  
price to pay for being wild,  
for being free to move across (some)  
countries, across (some) political boundaries  
and (some) historical ideologies, and across (some)  
economies. I am the supercommunity, and you are only  
starting to recognize me....

The artists in this issue—Marc Camille Chaimowicz, Pamela Rosenkranz, John Waters, and Xu Zhen—inquire into the varied and complex relationship between art and life. In directing their attention to a world determined by artificiality, they not only underscore the impact of incessantly circulating goods on our thoughts and feelings, but also – and perhaps more importantly – bring such unexpected elements as “enchantment” and the “heavenly realm” into play.

Die Künstler dieser Ausgabe, Marc Camille Chaimowicz, Pamela Rosenkranz, John Waters und Xu Zhen, beschäftigen sich mit der vielfältigen Verquickung von Kunst und Leben. Ihr Blick fällt auf eine von Künstlichkeit bestimmte Welt, in welcher die Waren und ihre materielle und immaterielle Zirkulation unser Denken und Fühlen konstant beeinflussen. «Verzauberung» und «Glamour» werden dabei als die Seele erwärmende Elemente ins Spiel gebracht.
