## AIMS AND SCOPE

*Studies in Communication Sciences* is an international journal that publishes original articles of high quality in all areas of communication, e.g. linguistics, semiotics, rhetoric, media, mass communication, corporate and institutional communication, management of communication, information and communication technology, formal models of communication, communication in educational environments, intercultural communication, sociology and psychology of communication. As a general forum for communication scholarship the Journal is especially interested in research whose significance crosses disciplinary and sub-field boundaries.

Authors are invited to submit original papers that are not under consideration for presentation elsewhere. All submissions are double-blind peer-reviewed for originality, soundness, significance, and relevance. Authors will be notified on the status of their papers within two months from submission.

The Journal publishes full papers, short communications in form of focal articles, position papers, event reports, etc. Reviews of books or comments on papers may be commissioned.

*Studies in Communication Sciences* is published two times a year. Each issue will contain approximately 250 pages. Each issue includes a Thematic Section focusing on a particular topic prepared with the assistance of a Guest Editor. Special Issues entirely devoted to specific topics are also published. Abstracts of *Studies in Communication Sciences* articles can be consulted at the Journal's website [www.scoms.ch](http://www.scoms.ch). The full text of individual articles can be requested from the same Website.

Subscription price per volume of two issues including postage:

Personal price: CHF 70,- /EUR 50,- /USD 50.

Institutional price: CHF 100,- /EUR 70,- /USD 70.

Single issue: CHF 35,- /EUR 25,- /USD 25.
