

**Zeitschrift:** Memorie / Società ticinese di scienze naturali, Museo cantonale di storia naturale

**Herausgeber:** Società ticinese di scienze naturali ; Museo cantonale di storia naturale

**Band:** 7 (2004)

**Artikel:** Atlante di identificazione delle Felci (Filicopsida) presenti in Svizzera e in Italia : su base palinologica e epidemiologica

**Autor:** Peroni, Adalberto / Peroni, Gabriele

**Kapitel:** 7: Indice alfabetico dei nomi dei taxa menzionati nel testo

**DOI:** <https://doi.org/10.5169/seals-981676>

### **Nutzungsbedingungen**

Die ETH-Bibliothek ist die Anbieterin der digitalisierten Zeitschriften auf E-Periodica. Sie besitzt keine Urheberrechte an den Zeitschriften und ist nicht verantwortlich für deren Inhalte. Die Rechte liegen in der Regel bei den Herausgebern beziehungsweise den externen Rechteinhabern. Das Veröffentlichen von Bildern in Print- und Online-Publikationen sowie auf Social Media-Kanälen oder Webseiten ist nur mit vorheriger Genehmigung der Rechteinhaber erlaubt. [Mehr erfahren](#)

### **Conditions d'utilisation**

L'ETH Library est le fournisseur des revues numérisées. Elle ne détient aucun droit d'auteur sur les revues et n'est pas responsable de leur contenu. En règle générale, les droits sont détenus par les éditeurs ou les détenteurs de droits externes. La reproduction d'images dans des publications imprimées ou en ligne ainsi que sur des canaux de médias sociaux ou des sites web n'est autorisée qu'avec l'accord préalable des détenteurs des droits.
