Acknowledgements

The essays of this volume form a selection of the contributions to the Swiss Association of University Teachers of English (SAUTE) 2015 Conference, held in Geneva on 24-25 April 2015. We wish to thank those who devoted so much of their time and energy to helping in the organization of this conference, Erzszi Kukorelly and Arnaud Barras. We are grateful to the Swiss Academy of Humanities and Social Sciences, the CUSO doctoral programs, the Faculty of Humanities and the English Department of the University of Geneva for their financial support, which made the organization of the conference possible. The variety and quality of the essays included in the present volume owe, in addition to their authors' expertise, also to the diligent and efficient work of anonymous peer reviewers, to whom we wish to address, without being able to name them individually, our warmest thanks. Many thanks also to Lukas Erne, General Editor, for his patient guidance and valuable advice in the preparation of the volume. We are grateful to Arnaud Barras for providing the cover picture and to Martin Heusser for designing the cover. Finally, we address our warmest thanks to Keith Hewlett for his help in the editing process, his minute and detailed comments and suggestions and, above all, his never failing patience.
