A Note from the General Editor

SPELL 19, *Cultures in Contact* (2007), included an article entitled “Difference and Hybridity in Hanif Kureishi’s *The Buddha of Suburbia*,” by Prof. Susanne Pichler of the University of Innsbruck. It has recently come to our attention that this article reproduces, without attribution, substantial portions of the text of an article entitled “Herald of Hybridity: The Emancipation of Difference in Hanif Kureishi’s *The Buddha of Suburbia*,” published by Prof. Berthold Schoene of Manchester Metropolitan University in the *International Journal of Cultural Studies*, 1.1 (1998), 109-28. We deeply regret this incident and extend our apologies both to Prof. Schoene and to the *International Journal of Cultural Studies*.
