There and elsewhere the Church of Christ is driven down to the catacombe — yet even that will not destroy her. She has become a witnessing Church and we see a revival which means the rebirth of the faith — the real faith which is living trust in God. —

Even in Switzerland that shaking of the old fundaments is to be felt: the activity of the Godless movement is clearly felt and anxiety as to the future.

Our only hope is God, a living trusting faith in God.

All who heard Dr. Keller have taken home ample food for deep reflections and feel very grateful to him for his prophetic speech. X.
