FEDERAL.

NEW APPOINTMENTS AT THE SWISS FEDERAL RAILWAYS.

The Federal Council has appointed M. H. Etter, at present General Manager of the Swiss Federal Railways, to the post of President of the General Direction, in succession to Dr. Anton Schrafl, who recently has been appointed to the post of Director of the Central Office of International Transport by Rail. —

M. Hans Etter was born in 1874 at Schaffhausen, he studied at the Technical Universities in Zurich and Munich. After having been for some years on the engineering staff of the Gotthard Railway he joined the Swiss Federal Railways in 1912, and five years later he reached the post of chief engineer of the S.F.R. In 1926 he was elected a member of the General Management. —

In addition, the Federal Government has appointed Dr. W. Meile, Director of the Basle Fair, to the post of General Manager of the Swiss Federal Railways. —

Dr. Meile is fifty-one years old, he hails from the canton of St. Gall. He studied at the Universities of Berne, Munich and Berlin. In 1917 he was elected Director of the "Schweizerischen Mustermessen" in Basle, a post which he occupied with great distinction. Two years ago he was elected a member of Parliament. (National Council).

ZURICH PREPARES.

The city of Zurich is already working feverishly to prepare the 1939 Swiss National Exhibition, for which hundreds of thousands of visitors are expected. Road approaches are being constructed, old buildings are vanishing and new ones springing up in their places. Amongst the latter, the Congress Hall should be specially mentioned : 8 million Swiss francs are being spent on this alone, and it is said to be a model example of modern architecture. The setting of the Exhibition will be unparalleled : it will lie in two luxuriant parks renowned for their beauty, and will include both shores of the lake which will be connected by a special quick steamer service : as a background it will have the massif of the alps rising on the horizon over the lake.

ELECTRICITY MOST WIDESPREAD IN SWITZERLAND.

According to statistics drawn up by the German engineer, B. Seeger, the following percentages of the population of various European countries are able to make use of electric current :

Switzerland, Denmark	100%
France, Belgium	98%
Great Britain	97%
Holland	96%
Italy	93%
Sweden	92%
Germany, Spain	88%
Czechoslovakia	72%

These percentages then decrease from 69% for Norway to 22% for Rumania.

AIR AND SHIPPING TRAFFIC IN BASLE.

The town of Basle shows record figures for the year 1937 both for air and shipping traffic. The Basle aerodrome was used by 21,358 passengers, as against only 18,214 in 1936. The air mail increased by 50%. Punctuality of the air lines improved from 90.1 to 95.6%.

In the Rhine docks at Basle, about 3 million tons of merchandise were unloaded, 0.7 million more than for the same time during the preceding year.

COLONEL OF DIVISION O. HILFiker.

Colonel of Division O. Hilfiker, chief of arms of the Corps of engineers, has celebrated his 40th service anniversary. Colonel Hilfiker was born in 1873 at Kölleken, Ct. Aargau. He entered in 1902 the army as an instructor and until his appointment as "Waffenchef der Genietruppen" he held various important commands in the Army. In 1933 he was promoted to the rank of colonel of division.

SWISS RAILWAY LOANS REPAYMENT.

It is announced that two Swiss Federal Railways 3½ per cent loans, of the series A-K, and the first issue of 1910 totalling 400,000,000frs. are to be repaid on April 30th next.

It is uncertain whether any conversion issue will be made.

RHINE NAVIGATION RECORD.

Rhine navigation figures constituted a new record last year, when a total of 2,960,265 tons of goods passed through the Swiss port of Basle, against 2,291,206 tons in 1936, and 2,216,995 tons in 1935. In 1937, up-river traffic reached 2,741,240 tons, and down-river traffic 219,025 tons. Work is progressing in Basel, where new basins and wharves are being constructed at a cost of 162,000, which will enable the handling of over 3,500,000 tons a year.

NESTLE AND ANGLO-SWISS HOLDING.

Preliminary figures of Nestlé and Anglo-Swiss Holding Co., Ltd., show a net profit for 1937 of 23,000,000frs.

The general meeting of the company, at Cham, approved the reduction of capital from 116,000,000frs. to 58,000,000frs. by the repayment to shareholders of 100f. per share. The nominal value of the shares is thus reduced from 200f. to 100f.

SWISS TRAIN CUT OFF BY AVALANCHES.

Switzerland has been swept by violent westerly gales recently, and much damage has been caused in the forests. At Basle a big crane fell and crashed on a house, but no casualties are reported.

A heavy snowstorm raged last Sunday over the Saint Gotthard region, and avalanches blocked a train between Göschenen and Andermatt on the Schöllenen line. Several parties of workmen have been sent to rescue the passengers. Traffic is likely to be held up for some time.
