### Economics

Nestlé & Anglo-Swiss Holding Company Ltd., Cham and Vevey — Unilac, Inc., Panama-City — Alimentana Company Ltd., Kempthal. Discussions have taken place recently between the boards of directors of these three companies with a view to assuring a more rational use of the various commercial and technical assets at their disposal. It is now proposed to offer the Alimentana shareholders an exchange on the basis of 15 Nestlé shares (including the corresponding Unilac shares, the dividend coupons for 1947 and the coupon of the Nestlé sinking fund certificate due for payment in December 1947) against each Alimentana share. This proposal has yet to be ratified by the general meetings of shareholders of the companies concerned. Nestlé and Unilac will, of course, have to increase their share-capital if the merger goes through.
