ANNUAL DINNER AND BALL OF THE CITY SWISS CLUB,

15th October, 1948, at the Dorchester Hotel,
London, W.1.

It is with great pleasure that we note that the City Swiss Club is again starting this feature after a long interruption due to the war and post-war years. Those who remember these Annual Dinners and Balls from pre-war days will no doubt agree that these functions always formed one of the outstanding events of the Swiss Colony in London.

We refer in this respect to the Advert in this issue and we are convinced that the Committee of the City Swiss Club is sparing no effort to make the evening an outstanding and successful one. Undoubtedly Members and friends are all looking forward to the 15th October.

See what I've got!

Lucky guests — with fragrant, full-flavoured coffee to enjoy!
Lucky hostess — coffee made in an instant, no grounds, no bother. Just add near-boiling water to a spoonful of Nescafé in the cup. A trick worth knowing! You can keep the tin by you, for the roaster-fresh aroma of Nescafé lasts — sealed in by the special Nestlé process.

Nescafé is a soluble coffee product composed of coffee solids, with dextrins, maltose and dextrose, added to retain the aroma.
