*To The Editor of The Swiss Observer.*

Dear Sir,

It was with great pleasure that I read in your issue dated the 19th December, of the expansion of the Swiss Philatelic Society. It is encouraging to read of the efforts of our people in this country. There is however, an error in the statement, which as President of my Society I cannot allow to pass without correction.

I congratulate the Society on their record but they are wrong in the assumption that they were the only ones to meet regularly throughout the war years, for the Unione Ticinese, met regularly for business purposes every month throughout the war, while our Corale also met each week during the same period. We also held dances and various other social functions from time to time. We are happy to know that other Swiss Societies share our record and wish through you to convey to the Philatelic Society our sincere wishes for many years of continued prosperity.

Yours faithfully,

C. BERTI,  
President,  
Unione Ticinese.

*(Similar statements have reached us from other Swiss Societies. Ed.)*
