It might be mentioned here, that the family Marchand too, has been established for many years in Switzerland, where their name in the watch trade has become almost a household word.

These then are the successful achievements of two firms which both started in a very small way; great ability, integrity, a keen sense of business instinct and responsibility, coupled with a good deal of hard work has secured them an honoured name in the profession.

We wish them the best of success in their respective business spheres and heartily congratulate them on their great achievements which not only honour them, but also our country.

ST.

SWISS RELIEF COMMITTEE, LIVERPOOL.

At a Meeting, on the 21st of May, the following were elected to form the Committee:—

President: Mme. Geneviève O. Davidson.

Treasurer: Mr. L. C. Comte.

Members: Mr. H. Ott, Mr. P. Weber, Mr. Ch. Clottu.

Mr. E. Montag, after nearly half a century's service, asked the Committee to accept his resignation.

Mme. G. O. Davidson, who now takes his place, is from Geneva. She is one of the pillars of the French language in Liverpool, able to take the strain in good and bad times. Distinguished daughter of a distinguished father.

Louis Comte fortunately remains as Treasurer. He has rendered yeoman service.

Vice-Consul L. J. Faivre, who had served on the Committee for many years, insisted on retiring with his former chief although the reasons are not the same — he being a much younger man.

The Committee as a gesture of good will to the rising generation confirmed the decision to pay the fare London to Switzerland for seven boys and girls going on holiday there but incidentally we hope it will save work for the mothers.
