the existing facts and a clear insight into their significance and meaning.

The book is well printed, attractively bound and profusely illustrated. Some of the coloured plates are a delight to the eye. It is a fine production, exclusively Swiss, and affording evidence of the fact that the Swiss people can be their own and their best publicity agents.

A drop or two of Maggi's Seasoning gives your dishes a continental piquancy such as you would find in the creations of a master-chef! Use it in your soups, stews, ragouts, hashes, minces, salad dressings, and notice how it "brings out" the flavour, besides adding a subtle savour which is exclusively Maggi's. Look out for the distinctive, long-necked bottle with the sprinkler top—and remember that it will last a long time, for it is very, very concentrated.
