SOPHIE WYSS SINGS IN PARIS.

Sophie Wyss, who is well-known to the Swiss Colony, has recently given a recital in Paris, together with Marie Korchinska and Antony Hopkins, of songs and arrangements of folk songs by contemporary British composers under the auspices of the British Council.

The "Musical Times" says, amongst other things: "Sophie Wyss is the perfect interpreter of a programme of this kind, which she can 'put over' with a maximum of charm and a rare intelligence and is thus a most valuable 'ambassadress' of contemporary music."

LOST

These are some of the renowned organisations of widely varying nature who saw the force of our argument when we pointed out how much of their valuable storage space was being lost in unnecessary gangways:—

Barclays Bank, Bowater's, Daily Express, de Havilland, E.M.I., Hercules Cycles, I.C.I., John Laing, Lloyds Bank, London Hospital, London Transport, Marks & Spencer, Metal Box Co., Mowlem's, Parke Davis, Phoenix Assurance, Shell Mex, Standard Motors, W. D. & H. O. Wills, Geo. Wimpey.

By converting their static storage to **ROLSTORE MOBILE UNIT STORAGE** we vastly increased their storage capacity without adding to their floor area; or alternatively we released much costly space taken up by storage for other more productive purposes.

We can do the same for you
