IRMGARD-MICALEA BURCHARD'S EXHIBITION AT THE OBELISK GALERIE.

Irmgard-Micalea Burchard's painting — all of recent years — are of rare quality and beauty.

She seems to reveal her innermost feelings to communicate what she wishes to express; viz: restrained passion and mysticism, sometimes impish gaiety, a vision of life expressed by one endowed with an unusual gift of observation and interpretation.

Equal strength and emotion lie in her absolute command of the colours; select, exuberant and sparkling here — sublime and haunting there — and she has quite definitely a style of her own.

An unhurried visit to the Obelisk Galerie is a revealing experience nobody should miss.
