Cantonal

The SAFFA 1958 Exhibition (Schweizerische Ausstellung für Frauen-Arbeit) was opened in Zurich on 17th July by Dr. Th. Holenstein, President of the Swiss Confederation. He was accompanied by Federal Councillors

Feldmann, Streuli, Lepori and Chaudet, and by delegations from the two Federal Chambers and the Federal Supreme Courts.

In the procession which wended its way through the gaily beflagged streets to the Fraumünsterkirche — where the solemn opening ceremony took place — one noticed especially the members of the Federal Council, delegations of the Federal Chambers, the “Kantonsrat” Zurich, the Universities and Churches, two representatives of each cantonal Government, and all the members of the Government of the canton of Zurich.

Mme. Denise Berthoud, Central President of Swiss Women Associations, in her opening address paid a high tribute to the late Mme. Rosa Neuenschwander, thanks to whose initiative and efforts it was possible to hold the first SAFFA exhibition, which took place in Berne in 1928, and referred to the aims and purposes of the present exhibition. She welcomed the Federal and Cantonal representatives and the numerous delegations.

The President of the Confederation, in his address, pointed out the importance of this exhibition to Swiss women, heartily congratulating the organisers on the masterly way in which they have presented the work and manifold activities of Swiss women.

A second commemoration took place in the grounds of the exhibition, where Frau A. Hubacher-Constam, principal architect of the SAFFA handed over the keys of the exhibition to Frau Dr. Erika Rikli, president of the organisation committee. At the banquet which followed, Mr. Rudolf Meier, President of the Government of the canton of Zurich, and Dr. Emil Landolt, Mayor of the town of Zurich, were the principal speakers. [A.T.S.]
