The Fete Suisse Postponed until 1962

We were really optimistic when, a month ago, we stated that the accounts of last year's Fête Suisse showed a loss of a hundred pounds. The actual deficit was indeed several hundred pounds, of which one hundred pounds is still yet to be covered. For the last five or six years similar losses have been graciously met by a few members of the Committee who felt that the prestige of the Fête Suisse and the good it did were well worth while.

But of the future?

Mr. Alfred Renou writes :

Since our last meeting great efforts have been made by those entrusted with the task of finding out what could be done. Unfortunately it has been found absolutely impossible to get a large hall with catering possibilities for a suitable date this year, but we have provisionally reserved the Central Hall with its catering facilities for the last Thursday in March or the first in April, 1962, and further details will be published as soon as the General Committee has met. Meanwhile I have received very encouraging support from Madame Sophie Wyss and others and if further support is forthcoming I am sure that the Fête Suisse will take place with renewed success next year.
