## WHERE TO DO WINTERSPORTS IN SUMMER

For a long time, Jungfrau and Aletschgletscher, easily accessible by the Jungfrau Railway since 1912, were the only places ski fans could go in summer. New aerial cableways have now "paved the way" to other regions of everlasting snow, such as the Diablerets and Oldenhorn above Gsteig on the Pillon Pass, the Diavolezza near Pontresina and, to name the latest attraction, the Piz Corvatsch near St. Moritz. The scenic beauties of the Silvretta east of Klosters and the Theodul Pass above Zermatt further will always attract those who wish to ski the year round. [S.N.T.O.]
