A NEW KIND OF FAIR IN BASLE

From 20th to 29th November 1964, the first International Fair of Brand Goods and Articles for the Retail Trade will be held in the halls of the Swiss Industries Fair in Basle. This is a completely new kind of fair, publicising and offering for sale the products of big firms making brand goods, department stores, chain stores and shops specializing in the various branches of consumer goods. Like the popular fairs of olden times, this fair is designed above all to promote retail sales, develop public relations and provide publicity for brand goods, i.e. it is aimed especially at the large mass of retail consumers.
