*Omega's top watch...
for the world's top people*

The Omega Constellation is more than a watch, it is a chronometer — a title reserved exclusively for watches which pass the 360-hour accuracy and reliability tests of a Swiss Institute for Official Chronometer Tests. And every model has earned the coveted citation "Especially good results" — Switzerland's top degree for accuracy. List prices in the Constellation Collection are from over £300 for the 18ct. gold model on a bracelet and with a diamond-set dial, to £50.0.0 for a Constellation in stainless steel.

Every Omega carries a comprehensive guarantee against any defect or accidental damage (except fire, loss or theft) valid for one year in 156 countries, regardless of where it was issued.
