ACADEMIC SWISS NATIONALS

In connection with an international marketing assignment and for recruitment searches, we wish to contact academic Swiss nationals residing in Great Britain who are qualified in the following areas:

- | | |
|-----------------|-------------------------|
| — medicine, | — chemistry, |
| — physics, | — economics, |
| — pharmacology, | — legal, |
| — zoology, | — computer specialists. |

We think that any such persons available in the United Kingdom could provide helpful information for research purposes. Also, in return we could provide information on interesting posts within Europe and elsewhere.

It is not essential for these persons to be employed currently in academic establishments.

AN INTERNATIONAL CLIENT REQUIRES MANAGEMENT CONSULTANTS FOR WORK IN SWITZERLAND

Our client is an ethical and professional firm undertaking work for important clients in the Government area, and for major groups and companies in industry and commerce. We are interested in contacting Swiss nationals in Great Britain and elsewhere who can undertake management consultancy appraisals, reporting and implementation in the following areas:

- industrial organisation
- information systems and data processing
- administration — rationalisation, revision and cost reduction
- development and construction — systems, control efficiency techniques and rationalisation
- industrial and production engineering, including planning, methods and manufacturing administration
- maintenance — organisation, planning and control
- industrial project appraisal

Basically we are seeking persons with degrees or adequate professional qualifications, but this requirement will be waived where exceptional experience can be proved. The age bracket is 27 to 50 years. Minimum commencing salaries would be about S.Frs. 30,000 (at the lower age levels) but could be much higher, according to experience.

Send complete resumes (age, education, languages, training, job summary with salaries) to
