The International Bank for International People.

Lloyds Bank International is strongly established in Western Europe and the Western Hemisphere.

LBI has a wide direct representation in the EEC and Switzerland, and is also the only British bank with a branch network covering virtually the whole of Latin America.

LBI plays an important role in the Eurocurrency market and has arranged

finance for many major projects world wide.

The LBI Group, through its branches, associates and representatives in New York, Nassau, Paris, Frankfurt, Brussels, Amsterdam, and Zürich, has a direct access to principal sources of foreign currencies in all the world's great financial centres.

To these established features should be added LBI's experience and reputation gained in Eastern Europe, Japan, the Middle

East and Australasia, and the Bank's valuable links with Lloyds Bank Limited, one of Britain's "Big four" banks.

The Bank's multi-currency capability, its skill in tailoring the use of funds to meet specific requirements, its spread of branches and representatives throughout the world, all combine to make LBI of essential interest to any business operating across national frontiers.

The George Fischer Group

There's more to Le Bas than tubes...

In the last decade, expansion and diversification have been such that the name LE BAS TUBE COMPANY, by which we have been known for close on fifty years, no longer reflects the true extent of our activities.

Out of one company we have formed two companies . . .

In one of these, GEORGE FISCHER SALES, are grouped the divisions of Le Bas which market **GF** brand products . . . pipe fittings in malleable iron and plastics, pipefitters' equipment, and other agencies and services of the George Fischer Group.

By its title, the new company will be more closely identified with its associates . . . in the UK, George Fischer Castings at Bedford and George Fischer Plastics at Huntingdon . . . and in Europe, George Fischer Limited of Schaffhausen, Switzerland, and other member companies of the **+GF+** Group.

Our other company, which retains the name LE BAS TUBE, will continue and develop our steel tubes business

Both companies operate from existing Le Bas premises, and share the same telephone and telex numbers.
