Congratulations and best wishes, also to any other readers whose birthdays happen to be within the next few weeks.

On 25th June, the former Editor of the *Swiss Observer*, the late Alfred Staufer, would be 85, had he lived. He died in 1965, but we should like to remember at this moment the sterling services he rendered the Colony in general and the *Swiss Observer* in particular, during the three decades and more that he edited it.
