MESSAGE FROM YOUR EDITOR

I am sure that every member of the Swiss Colony in the United Kingdom will be saddened by the news that our Ambassador, Dr. Weitnauer, is to leave us at the end of this year.

Let us take this opportunity of thanking him most sincerely for the help and guidance he has so generously given to all the Swiss Societies in this country.

I am sure I speak for all of us when I, through the columns of *The Swiss Observer*, offer Dr. Weitnauer our sincerest congratulations on his important new appointment – even though his gain is our loss!

Dr. Weitnauer delivered a short speech at the Eglise Suisse in London on the occasion of the 1st August celebrations held there. The text, along with reports of the celebrations held in various parts of the country, will be published in next month's issue.

The July edition carried a report of Dr. Alfred Aepli's address to the NSH on Swiss Security Policy. Unfortunately, space does not permit publication of his text in full as promised, but a copy will be supplied on request to any reader who would like one.

Finally, please accept our apologies for the late appearance of this month's issue. I am sure you will appreciate the production problems caused by holidays and other factors which are almost inevitable during the summer months.

W.G.S.
