# NEWS FROM THE COLONY

## Success for a Swiss watch firm

Continental Economic Swiss Time Co. Ltd., located at Rheinfelden, recently received an order from a big Dutch chain store for 60,000 watches. It is interesting to note that the whole order features a single model called "Continental Formula 1", inspired by motor racing. These 60,000 watches have been marketed all over Holland in the 650 supermarkets belonging to the Albert Heijn chain. The

order was delivered in a single consignment, whose size was unusual for watches — it had a volume of 6 cubic metres and weighed 3,200 kg!
