The sign of a good crane

When you see the word Coles on the back of a crane, you see the hall-mark of reliability, quality and precision engineering. You see a crane built by a worldwide organisation with ten manufacturing plants in seven countries in four continents. You see a crane backed by almost a century's experience in cranemaking and you see a crane from the largest range of wheel-mounted cranes in the world.

Next time you choose a crane for your fleet, take a look at Coles; the cranemakers.
