PAUL BESSIRE, 80

On 20th March, Mr. Paul Bessire, of
28 Cumberland Road, SW13, will reach
the grand age of 80, in very good health
and spirits, we are glad to report.

Paul Bessire, one of six children,
was born in Bienne, where he went to
school and later to the *Ecole de Com-
merce*. He came to this country 62 years
ago, and some three years later he started
his own business here and it has devel-
oped into a firm of general export and
import of some standing. The supply of
mica to the Continent was one of his
successful lines. In the war he was com-
pletely bombed out and had to start all
over again. He did this with courage and
enterprise and worked up a fine business
in industrial diamond tools and exports
of electrical accessories. He is still active
in his company.

Right from the early days in Great
Britain, Paul Bessire took a lively interest
in the Swiss Church and in the mid-
thirties, as a member of the Consistoire,
he was in charge of renovating the Foyer
Suisse in Bedford Place, an offshoot of
the Swiss Church. Many of our com-
patriots in London will recall that the
Foyer, too, was bombed in the war. He
became a member of the City Swiss Club
in 1920, he is now an Honorary Member.
He is a member of the Swiss Mercantile
Society and supports the Swiss Rifle
Association. He joined the Nouvelle
Société Helvétique, of whose Council he
was a valued member for many years.

At a City Swiss Club event in the
early twenties he met Antoinette Schup-
bach of the Neuchâtel branch of the old
Emmental family, whose father was
General Manager of the Crédit Lyonnais
in London and later President of the City
Swiss Club. They were married in London
in 1930. They have two married daughters
and four grandchildren.

*Cross-country ski-ing will certainly
give you a hearty appetite as the
two people on the front cover have
found out. A bowl of good soup
will see them through until the next
meal. Story and more pictures on
