Data Processing- Professionals

Career Opportunities in Data Processing with Du Pont in Geneva

The Du Pont Company is one of the world's leading chemical companies with subsidiaries in most European countries and European headquarters in Geneva. We are embarking on a major upgrading of our European data processing capabilities leading to a fully-integrated network of mini-computers and mainframe computers. The planning and technical lead for this effort will be done by our data processing staff in Geneva.

If you are a qualified data processing-professional and interested in participating in the development of our European network, we invite you to apply for one of the following openings:

Application-Programmer/ Analyst

- with
- Extensive experience in ANS COBOL (2-5 years)
 - Experience on IBM or Hewlett Packard systems
 - Excellent commercial, accounting or marketing background
 - A degree in engineering, economics or business administration would be an asset

Software-Programmer for IBM-Systems

- with
- Experience in IBM DOS/VS or DOS/VSE operating-systems
 - Good knowledge of ASSEMBLER-language
 - VM/370-CMS would be an asset

Software-Programmer for Hewlett-Packard-Systems

- with
- Experience in commercial DP including HP 3000
 - COBOL
 - Experience in systems software programming
 - Telecommunications experience and knowledge of MS 3000 or IBM 2780/3780 protocols would be an asset

Applicants must be Swiss or holders of valid work permits, and have good command of English.

We offer:

- Challenging assignments in an international atmosphere
- Potential personal growth opportunities
- Attractive salary and social benefits
- Assistance with moving and initial living expenses for those not living in or near Geneva.

If you meet the above requirements, please send your career details. Write in confidence to:

Mr. Max O. Müller

Du Pont de Nemours International S.A.
Personnel Services Division
50-52, route des Acacias
CH-1211 Geneva 24, Switzerland.
