Under the patronage of the Association of private schools (AVDEP) and the Tourist Office of Lake of Geneva Region (OTV)

EVERY summer young guests from all parts of the world come to Switzerland to improve their knowledge of foreign languages.

All these visitors have a common purpose - to further their education in a most friendly and invigorating atmosphere and at the same time to take advantage of the numerous opportunities for active sports and relaxing hobbies that Switzerland offers.

The country has a long tradition of expertise in the organisation of boarding schools and

other educational institutions.

Both traditional and modern methods of teaching are applied, including the use of language laboratories. After a few audio-visual lessons, students soon discover that languages can be fun.

The lessons are usually for two or three hours in the morning, leaving the afternoon free for sports such as swimming, sailing, water ski-ing, riding and tennis.

At weekends the students can go on walking tours, mountain climbing and camping or visiting cultural interests in the area.
