EXPRESS POST

From the Editor:

A request has been received from the German language magazine "Eisenbahn Zeitschrift", which covers the subject of the Swiss Railways both in 12 inches per foot scale and the smaller scales. The magazine is trying to build up its photographic archives and has sent out a call for help, which I now pass on to members of the SRS.

If any member has a clear and very sharp photograph of anything to do with the **Swiss Railways** taken between 1940 and 1960, would he please contact the under-mentioned gentleman. What he would like to know is as follows:— Where was the photo taken, what is the subject, when was it taken and a brief description relating to colour or black/white and size etc. Under **NO** circumstances should the photograph be sent until requested to do so. The standard fee for publication would be paid for any photograph that is printed.

May I ask the editors of the DB, SNCF and FS society journals to also kindly publicise this request in the hope that their members may have something that is suitable. Address for information to be sent to:—

Herr G.M. Hoekstra, Eisenbahn Zeitschrift, P.O. Box 40, CH 3718 KANDERSTEG, Switzerland.

As everybody now knows the cost of having a black and white film processed has gone through the roof, as film companies are geared for colour work only. Does any member have the skill and time to print black and white photographs, and willing to print **small** quantities on behalf of members for use in the Swiss Express? If you are able to do this please let me know what the charge would be so that I may inform the members.

The hotel is ideally situated as a base for railway excursions throughout Switzerland. Located next to the important railway junction of Arth-Goldau and the ARB Rigi mountain railway. We will gladly send full details.

Hotel Terminus Steiner, Bahnhofstrasse 9, CH-6410 Goldau
Tel. 041 - 82 13 49, Rest. 041 - 82 39 33/34
