## Trade News

### Bachmann Industries

Europe Ltd, Moat Way, Barwell, Leices LE9 8EY (phone 0455 841756/7 fax 0455 841787) are now importing a number of ranges of HO scale road vehicles, which will be of considerable interest to

modelling members. One such model is the Praline Mercedes Benz bus in PTT livery, illustrated alongside. This is a pleasing model of an older vehicle which is only slightly marred by the absence of any indication where and how to fit the various fittings provided on sprues. These, and the roof rack, ladder and wheel trim are brightly chrome plated and require a little paint to give the correct impression.

Bachmann Europe also inform us that they have acquired the goodwill and, more important, the tooling from Liliput. Tools are now in the Far East and production should be underway by the time you receive this issue.-

**Winco**, 149 Arelesford Road, Winchester, Hampshire SO23 8JZ have started a 'Club' for Bemo users and for an annual subscription of £6 will supply all copies of the Bemo Magazine and newsletters describing new products as they become available, etc. They carry a large range of Continental imports and can supply by mail order, all major credit cards being accepted. They can be contacted on 0962 869301, phone or fax.
