FOR THE RAILWAY - FAN AS WELL AS FOR THE HIKER

A new trail in the heart of the Bernese Oberland, between Kandersteg and Frutigen. Hike partly alongside the tracks and also high above the railway, with magnificent views down into the Kander Valley.

About 40 information-boards along the way give details about the railway itself, the trackwork, structures and trains.

A leaflet explaining the text on the information-boards in English is included with this issue of "Swiss Express".
