Subscription Renewals 1995

Enclosed with this issue of *Swiss Express* you will find your membership renewal form for 1995. I regret to advise you that, after holding subscription rates down for four years, an increase has proved regrettable, but necessary. Costs are rising all the time and I cannot see this situation changing.

Thanks are due to members who, through the purchase of sales items, have provided us with valuable income which has helped keep subscription rates down. I should also like to take this opportunity to thank all those companies who advertise in *Swiss Express* as this is another service which helps defray production costs/

It is difficult to predict what may happen during the coming year, but with your continued support, perhaps your Treasurer may be able to give you better news this time next year.
