Exhibitions Report by Andy Nelson

Firstly my thanks to Roy Dungleison (our President) for a very enjoyable day at Minehead Station on July 11 although the weather was unkind (we were under the station canopy) - they arrived by the train load (excuse the pun). This must be the ultimate location for an exhibition, with live steam, chugging in and out, a captive audience, good catering, easy unloading, loading and set up, others please note.

The stand starts its rounds again from September, do come along for a chat, or, if you need a specific sales item, let me know on 01753 534313, then I can bring it along for you.

Do you have a Swiss layout on view at any Exhibitions, again let me know. We do have quite

an impressive list as below.

If you are putting on an exhibition and would like the SRS stand to attend please enquire, I have to fit in with work and other commitments but will always consider another venue.

SRS stand attendance

21 Nov. Winchester 'O' gauge

29 Nov. Letchworth MRC
