Exhibitions Report by Andy Nelson

December already, firstly may I wish you all a very Happy Christmas and a Happy New Year. I would like to thank all those people, who helped on the Exhibition Stand over the year.

I was changing trains recently at Basingstoke. There are large signs with the word WINTERTHUR on the station platforms (not the right colours, however for SBB). I thought I had fallen asleep. on Thames Trains (as far as I know, they don't go though the Channel Tunnel) or maybe the SLM works had been moved, because of a strong or weak pound/franc. It is, in fact an Insurance Company Office, unless somebody else knows differently?

The SRS Stand attends the following below, come along for a chat, or if you need a specific

sales item let me know, on 01753 534313, then I can bring it along for you.

Do you have Swiss layout on view at any Exhibitions, again let me know.

WANTED

A good home offered to any unwanted or duplicate Swiss transport tickets. Traditional Edondson card style preferred, but all tickets of interest to me and for swapping with fellow enthusiasts. Regret only limited funds but any expenses gladly reimbursed. Also talk(s) offered to your local branch or club, Michael Farr, 40 lillywhite Crescent, Andover, Hants SP10 5NA. Tel: 01264 355689.

HELP WANTED

Can you compose a simple tune? Future volumes of the video series "Swiss Railways in the Sixties" would benefit from a simple opening and ending theme as they are made from silent film material with added commentary. Being Swiss railways generally excludes anything based on steam loco sounds, of course.

Not only compose, but also perform – and record. No, I don't think there's any money in it – not in these quantities or at this price. My reward is the satisfaction. If you can help please write to: Alan Snowdon, 38 Oakwood Close, Redhill, RH1 4BD
