The photograph must not have been previously used for a similar purpose, and must remain affixed to the ticket.

3° When applying for Season Tickets, passengers must indicate the date on which they wish the period of availability to commence. Tickets may be dated in advance, but not more than 8 days ahead of the actual date of issue.

Season Tickets cannot be used in advance of the day for which they are dated.

The validity of the ticket expires at midnight on the 15th, 30th or 45th day, and can under no circumstances be extended.

4° Each ticket must bear the Holder's signature.

5° During its validity a Season Ticket entitles the holder to an unlimited number of journeys by all trains and boats shewn in the official time-tables.

9° Season Tickets are not transferable.
