HOTEL FROHSINN

**Visiting the Gotthard and the
surrounding area of Lake Lucerne?**

Why not experience real Swiss hospitality in a family run hotel with well appointed rooms, excellent food and plenty of local atmosphere.

The hotel is located in an ideal place to start your tour. Situated at the beginning of the North Ramp of the Gotthard with a commanding view of the railway, and equally well placed for those walks in the beautiful surrounding countryside of William Tell fame or that longed for journey on Lake Luzern.

SOCIETY GREETINGS CARD

SRS is going to produce a greetings card and we would like a member's picture on it. Landscape or portrait format, it doesn't matter. What does matter is that it is a good picture. We know that there are loads of good photographs and photographers out there so please search out your archives and send some in.

Ideally a snow scene, for Christmas obviously, but this is not set in ice. It is also our intention to produce a calendar in the nearish future and it may be that some of the images will be suitable for this as well. If they are we will ask your permission, alternatively let us know when you send in the photograph that you are OK about this and that will be fine.

Send your photographs to:

Swiss Express Greetings Card

Nhulunbuy, May Tree Road, Lower Moor, Pershore, Worcestershire, WR10 2NY

FORMATS:

Film/Print: Prints of any size up to 10"x8", 35mm slides or negatives, APS slides or negatives. If you do have larger negatives or slides please ring the Swiss Express Editor first.

Digital: Images must be suitable for reproduction at 7"x5" with a minimum 300dpi resolution. Do not alter the image in any way; if it needs tweaking we will do it. Because the image size is likely to be large please do not use email but send them in on CD or 100mb Zip Disk. If you send in a jpg image please make sure that is a copy of the original.

Enclose some details of the picture, who, where, when and what etc.

They will be returned as quickly as possible as we now have the ability to retain digital files suitable for reproduction and print. We are looking forward to seeing as many as possible contribute to this project. Thanks in advance.
