# WHAT TO DO ON YOUR HOLIDAYS

Forget the exchange rate for the next six pages. Summer's here and Switzerland has a lot on offer. Don't forget all the RHB events surrounding 100 years of the Albula. Details of these were in the March Swiss Express. If you do go on any of the following make sure you take some pictures and let us have them. Make sure you tell the operators where you found the details and most important of all...

have fun!

For further information on all these plus other offers contact SGV  
Tel: ++41 (0)41 367 67 67  
Fax: ++41 (0)41 367 68 68  
website: [www.lakelucerne.ch](http://www.lakelucerne.ch)  
email: [info@lakelucerne.ch](mailto:info@lakelucerne.ch)

Departures are scheduled approximately every hour on the main routes:

- Lucerne - Weggis - Vitznau - Beckenried - Gersau - Brunnen - Rütli - Flüelen
- Lucerne - Kehrsiten (-Bürgenstock) - Stansstad - Alpnachstad

In summer 2003, the following main services are operated with paddle steamers:

09.15 to Flüelen	Daily
10.15 to Alpnachstad	On weekdays in July and August
11.15 to Flüelen	On Sundays and on public holidays
11.20 to Flüelen	Daily from May 1st to October 26th
13.15 to Flüelen	Daily
14.00 to Alpnachstad	On weekdays in July and August
15.20 to Vitznau	Daily

Our very good friends at SGV in Luzern have, as always, a full programme for the summer and the rest of the year. Remember as you glide smoothly across the lakes that SGV are the

second biggest transport provider in Central Switzerland behind the SBB. Two million passengers a year, and yet it all seems so relaxed. Well done SGV.

## THE SWISS PATH

12 years ago, the scenic Swiss Path was opened. It is a joint cantonal effort in commemoration of Switzerland's 700th anniversary (1291 to 1991). It starts at Rütli Meadow, birthplace of the Confederation, and ends at Brunnen. Each canton designed one segment of the trail (there are 5mm of trail for each citizen). The trail is accessible via 8 boat landings, 3 railway stations, a funicular railway and 4 bus services.

## **THE HIKE EXPRESS**

From April 6th to October 26th 2003, SGV offers a very dense schedule. The Hike-Express "Swiss Path" leaves Lucerne at 8.34 in the morning in order to take hikers to the path in good time.

- Hiking and strolling: Detailed description of routes for the Swiss Path and 15 other lakeside paths are available, free.
- Guided hiking tours, baby-stroller and wheelchair friendly hiking paths: Suggested routes for all generations are available in two free brochures.
- Bikes & Lakes: Delightful panoramic routes for bikers and rollerskaters. Children's bikes are transported free of charge.
- Walking and Nordic Walking: Wide lakeside paths for athletic walking

## **THE NEW "TITLIS"**

1951 the motorship *Titlis*, with a capacity of 400 passengers, was built in the Navigation Company's own shipyard. Since the launching of MS *Waldstätter* in 1998, the *Titlis* has been used primarily for special occasions. The last day of service was April 29, 2000, following which reconstruction at the SGV shipyard in Lucerne began. Passenger capacity was reduced from 400 to 250 passengers. On the main deck the 2nd class salon contains 62 restaurant seats and 70 outdoor seats. The 1st class salon holds 28 restaurant seats. An elegant glass staircase leads to the upper deck, seating 60 persons outdoors. Since August 2001 the revised ship has been employed for charter and special cruises departing from its home marina in Brunnen.

## **WINING & DINING**

**Breakfast cruise (Smorge-Schiff):** Every Sunday morning, as well as on official holidays, passengers can enjoy a breakfast buffet. Spring, summer and autumn: Departures from Lucerne to Lake Küssnacht at 10.20. In winter: Departure at 9.15 to Vitznau and Beckenried. Breakfast is also available daily on all other ships leaving Lucerne or Flüelen before 10.20.

**Year-round lunch cruise:** Daily departures from Lucerne at 12.03, arrival at 13.44. The trip leads to Weggis and Vitznau. A large salad buffet and four other choices are available in various combinations.

**The Sushi-Ship:** The successful SUSHIP returns in 2003. Saturday evenings from August 16 to September 13. Roundtrips depart from Lucerne at 21.00 and feature a large buffet. Return at 22.40.

**Sunset Dinner Cruise:** Daily, from 25 May to 28 September. An elegant salon motor ship leaves Lucerne at 19.15 and returns at 21.44 (on Tuesdays in July and August also on Wednesdays, operated by paddle steamer). Varied menu as well as a large salad buffet.

## **FAMILY-FRIENDLY SGV**

The Junior Card issued by the public transport authorities (SFr. 20.00) with which accompanied children up to 16 years travel free is, of course, also valid on Lake Lucerne. In addition, SGV applies no steamer surcharge, which can be expensive for families.

## **EVENING-CRUISES**

- Sunset dinner cruise: as above.
- Evening cruises with music and food Special tickets starting SFr. 24.00 to SFr. 30.00. Guests celebrating their birthday travel for free! Every Friday in July and August (except 1st of August) with paddle steamer. Departures from Lucerne (19.20), Kastanienbaum, Hergiswil and Stansstad. Dixieland jazz, middle of the road or folk-music, according to the special program. Further cruises Tuesdays or Wednesdays from Buochs, Beckenried, Vitznau, Weggis, Brunnen, Seelisberg, Gersau and Flüelen.

## **WINTER SERVICES**

During the winter months, SGV daily also offers 7 lake cruises leaving Lucerne for Hertenstein, Weggis, Vitznau (Rigi), Beckenried (Klewenalp), Gersau, Treib (Seelisberg) or Brunnen. In addition, the piers at Rütli, Bauen, Isleten-Isenthal and Flüelen along Lake Uri are served twice a day in both directions on Sundays and holidays.

# RIDING IN THE WILDERNESS

Cable cars and funiculars are a vital link in the mountains for tourists, climbers, skiers and walkers. The Kursbuch shows those with either a federal or Cantonal concession. There are others. Some of which, like the Gelmerbahn, offer quite an exciting experience.

Mountain Wilderness is an alpine protection movement whose aim is to preserve the environment in alpine regions. There are several projects in Switzerland under this banner for example "Modellregion Göschenen". They have a brochure called "alpine taxi" which gives details of transport links in remote mountainous regions in Switzerland and from which this list is derived courtesy of LITRA, the Public Transport information service. LITRA have been very complimentary about *SWISSEXPRESS* so please return the compliment and have a look at the site which you should find very interesting.

Look for [www.litra.ch](http://www.litra.ch).

If you fancy a ride on some of these services check beforehand that they are running. Some require pre-booking. Some run on demand only.
