3 NEW TITLES OUT NOW:

Chiasso, the Italian border; Nr. 028 £ 13,95

In January 2005, REOS visited Chiasso and recorded the action from the southern end of the station. Swiss and Italian locos can be seen from this location. Also included, is a visit to the marshalling yards, where freight trains are sorted, and locomotive changes take place. A superb variety of trains on a sunny winter day. With detailed location maps. On video and DVDR. Running time; 81 mins.

Spiez station in winter Nr. 070 £ 11,75

In February 2005, REOS visited the "junction" station of Spiez. Local, inter regional and international passenger trains combined with freight trains from both the BLS and SBB are shown during snowy conditions. Filmed during daylight and in the evenings. On video and DVDR. Running time; 70 minutes

Kandersteg station in winter; Nr. 072 £ 10,50

Kandersteg is known for the car transporter shuttle to Goppenstein. It's also a well known holiday resort in winter and summer. This film shows the activity around this station during beautiful winter conditions. Snow clearing and unforeseen catenary maintenance is filmed in detail. On video or DVDR. Running time; 58 minutes

All information is correct at the time of publishing, however REOS reserve the right to amend film content, running time and prices.
