## Swiss Express – Portfolio

It has been an ambition of the magazine's editorial team to produce a photo album showcasing some of the 1000s of digital images that are held in our photo archive. Although each edition of the magazine normally has well over 80 photographs mostly these are there to illustrate specific articles. We have many images that have been supplied on a more general basis and even though we have introduced a Photo Gallery section many of these may not get used. We have considered that this was a waste of the interesting images and the photographer's talent. To get these pictures into more general circulation the Management Committee has authorised the publication of a 44-page book that will be available in the autumn. This full colour publication, "Portfolio", will showcase several hundred images of both the major companies and a selection of the smaller operators. The book has been painstakingly put together by our Photo Editor Tony Bagwell who has worked with the contributors of the photographs to ensure that informative captions accompany each illustration. Details of how to obtain your copy of this book appear in the magazine.

## Membership

Martin Fisher, our hard working Membership Secretary, reports that at the end of June membership of the Society was 1255 (including 53 new members), slightly down on the figure at the same time last year of 1269. The overall position is encouraging, being little more than 1% down on the same point last year, despite subscription rates; with the country in the middle of a recession; and with the very poor exchange rate for overseas members. This probably means that we are doing something right. This continuing high level of membership allows us to produce *Swiss Express* to the high standard you have come to expect, so if you know of friends, relatives work colleagues, etc who are as interested in Switzerland and its transport system as we are why not encourage them to

join. The Society has a prospectus leaflet that is available from either Martin, or David our Secretary.

## Member's Layout

Dave Howsam's excellent Perrapswil layout will be appearing at the Merseyside Model Railway Society 2009 Exhibition at Pacific Road Arts Centre, Birkenhead on Friday 30th Oct (6-9pm), Sat 31st Oct (10am-6pm) & Sunday 1st Nov (10am-5pm). The Perrapswil Standseilbahn will be incorporated on the layout for the first time.

## SOCIETY DIARY - Branches & Meetings
