SWISS EXPRESS

THE MAGAZINE OF THE SWISS RAILWAYS SOCIETY
- 1300 COPIES DISTRIBUTED WORLDWIDE

EDITORIAL

Malcolm Bulpitt

Despite the poor exchange rate many of you will have enjoyed (or are anticipating) a Swiss holiday by the time this magazine has arrived with you. Although our regular correspondents are good at supplying us with articles and information why not think about sending us some words and photos so your fellow members can share your recent experiences of Swiss railways? Most of our input now comes-in electronically but if you are not a computer person just put pen-to-paper and send us some clear prints or slides. To all our members who do use email to contact the magazine please remember to put "Swiss Express" in the subject box of your message. Without those key words your input risks being weeded-out by our spam filters and we will never see them. Finally, in the "And finally..." item last time, I allowed the British Transport film Bryan referred-to to be called "Waterloo" when I had been told by the author it was actually titled "Terminus" Meaculpa, I cannot blame innocent gremlins this time.
