Swiss Tip Good ideas and information about Switzerland from traveller Rob Morrey.

Rorschach Bahnhof is a station with a mind-blowing view of Lake Constance. Exit via the subway away from the lake and use the lift or stairs to ascend the concrete tower, which gives access to a walkway into eastern Rorschach, or to the viewing platform. The latter offers a quite stunning panorama over the Swiss lakeside and across the water to Germany and Austria. Plus a bird's-eye view of trains in the busy junction, which has a nice little snack bar on Gleis 1. The "wow" factor indeed.
