We would like to inform members that STC is now able to reserve seats on the SBB 'Gottardino'. This is a unique experience through the Gotthard Base Tunnel; at 57km it is the longest railway tunnel in the world. This train operates from 2nd August to the 27th November between Flüelen and Biasca (and vice versa), from Tuesdays to Sundays and includes a guided tour around Sedrun's multifunctional station. Prices start from £57.00 with a valid Swiss Travel Pass. For further information or to book your seat on the special train please call us to speak to one of our Swiss specialists on **020 7420 4900**.

For those of you interested to know what will happen to the current panoramic route of the 'William Tell Express'

for 2017, this service is expected to be renamed as the "Gotthard Panorama Express" and is planned to run at weekends from April to October, and daily from July to September, and will be available for both 1st and 2nd Class travel. This information was correct before going to print and is subject to changes. We hope to have more information including prices later in the year. Train travel on Eurostar and TGVs in June/July is expected to be busy due to the Euro 2016 in France. If you are planning to go to Switzerland in the summer, STC can help organize your flight, hotel and train pass and find you the best deal. (Don't forget we offer 5% discount on Packages/STS passes). Call us or send your request quoting your membership number to railtrade@stc.co.uk.
