Ivan Rodrigues from the STC writes:

We would like to inform SRS members of some important changes to the Swiss Travel System products for 2018. From 1st January 2018, Mount Pilatus will sadly no longer be included for free travel on the Swiss Travel Pass (STP). Instead Pilatus Railways will grant 50% reduction. However, if you are a fan of James Bond and would like to get closer to the Eiger, Monch and Jungfrauoch, then why not take a trip to Schilthorn, Piz Gloria. The Schilthorn will be free with a valid STP. Also included on the pass is the Stanserhorn, an oldtimer funicular and the CabriO (the world's first cable car with a roofless upper deck). The Schilthorn and Stanserhorn now join the other mountain excursions where you can use the STP including: the Rigi; Schynige Platte; the cableway between Kräbel - Rigi Scheidegg, and Engelberg - Brunnli (Ristis).

We still have some places available on the 'Bernina Monster', which operates on the 18th February 2018. This

steam-powered snowplough promises to be a very spectacular experience and provides an opportunity for the enthusiast to take some amazing photos. Our exclusive package also includes flights, 3-nights' B&B accommodation, rail transfers and a trip on the *Glacier Express*. It would look even more special if your photos featured in future editions of the *Swiss Express* magazine. Finally we are pleased to inform SRS members that STC will continue to offer 5% discount on STS passes and STC packages. We will also have free upgrades to 1st class on selected packages for travel in April, May and June 2018. To book please call 020 7420 4900 and remember to quote your membership number.

We would like to take this opportunity to thank those SRS members that booked with us this year and if you are planning for 2018 we look forward to assisting you with your travel requirements. From all at STC we wish you a very Merry Christmas and peaceful New Year. ☑
