## Ivan Rodrigues from STC writes:

From the 1st December the standard Swiss Travel System product range will now become an e-ticket. In order to issue your STS pass, STC will require the first/surname of each passenger as well as their dates of birth at the time of booking. It is also important you have an email address so that we can send you the passes electronically to print off. Customers that purchase the Swiss Travel Pass Flex will be able to validate their passes even on their mobile phone, provided it has internet access. Customers who book STC packages will still continue to receive the original paper ticket with the map and wallet! So if you prefer this style of ticket why not book a complete holiday rather than just the pass on its own?

As we approach Christmas, the season of goodwill, STC would like to offer SRS members double discount when (10%) booking a package before the 31st January 2020 for travel anytime in 2020. Please ensure you quote your SRS membership no. at the time of booking. We would also like to announce that STC has access to a Christmas promotion on

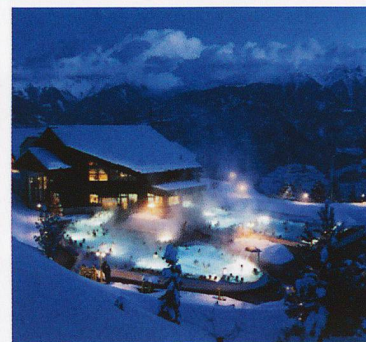

Interrail Passes. Prices start from £109.00 for 3 days within 1 month (senior) for Switzerland. Or why not upgrade yourself to the Global pass where you can use it from your local UK train station to the airport/border and across Europe in 31 countries. This promotion is valid for sale until 31st December for travel up until 11 months in advance. For more information please contact one of our specialists telephone: - **020 7420 4900**.

Finally we are sad to say farewell to Catherine Jones who has worked for the Swiss National Tourist Board/STC for over 40 years. Cath has booked packages for a number of SRS members over the years with some of you booking more than 2 or 3 holidays a year to Switzerland because of her personal service and attention to detail, making sure your trip is a special one. We will miss Cath as I am sure many of you will too but we wish her well in her retirement. We would like to take this opportunity to wish all our SRS members and your families a very Merry Christmas and prosperous New Year!
